Section 2

how many couples may dance with each other?

gradually tune, when playing open strings, to the Bb harmonic series of last measure

In sex-shun 2, play any measure any number of thymes. Play the measures in any disorder, and make up your own 3, foor, and five-nodte condemnations derived from the measure marked with the win gum *mobitus* (N) or from the last measure in sect-scion 1, or from both. Leave out notes in any of the "lines" as you wysh.
