BE FREE (on thoughts and otherwise) (2005)

Part 1
be free that yor love may be two steps a head of weak ness es of the mind your home and your soul and your bo dy

Part 2
be free that yor love may be two steps a head of weak ness es of the mind

Part 3
be free that yor love may be

7
are the places you should fill with grace all the time yes every day and ev er y dream you have make sure it lives on and on and
your home and your soul and your bo dy are the places you should fill with grace all the time yes every day and ev er y
two steps a head of weak ness es of the mind your home and your soul and your bo dy are the places you should fill with

12
on to the last ad vice that is be free that yor love may be two steps a head of weak ness es of the mind
dream you have make sure it lives on and on and on to the last ad vice that is be free that yor love may be
grace all the time yes every day and ev er y dream you have make sure it lives on and on and on to the last

17
your home and your soul and your bo dy are the places you should fill with grace all the time yes every day and ev er y
two steps a head of weak ness es of the mind your home and your soul and your bo dy are the places you should fill with
ad vice that is be free that yor love may be two steps a head of weak ness es of the mind your soul it's the

22
dream you have make sure it lives on and on and on to the last ad vice that is be free
grace all the time yes every day and ev er y dream you have make sure it lives on and on and free
most imp or tant thing it lives on and on and on and on did you think these words would be the same oh well just be free
