Deep in the forest chim-pa-nzees laugh. — Some chimps use tools. — Chimps play in trees.

Chimps are our cousins. Chimps are like you, — chimps are like me. — Just look at our genes!

But chimps are ugly, and chimps are mean. They can-ni-bal-ize their babies!

"Dartmouth in Springtime"

A round in three parts. Parts are separated by one measure.

Dartmouth, Dartmouth, oh so glorious, how I love the sunshine.

Dartmouth's green is pretty in spring-time, this lovely campus, yours and mine!

Dartmouth, Dartmouth, oh my Jesus, why is it snowing again?!

It's too cold for April, I say, so snow go away!
