

# the natural order of things

polansky

1

This is a round in the tu - ning of and the rhy - thm of the har - mon - ic ser - ies like

2

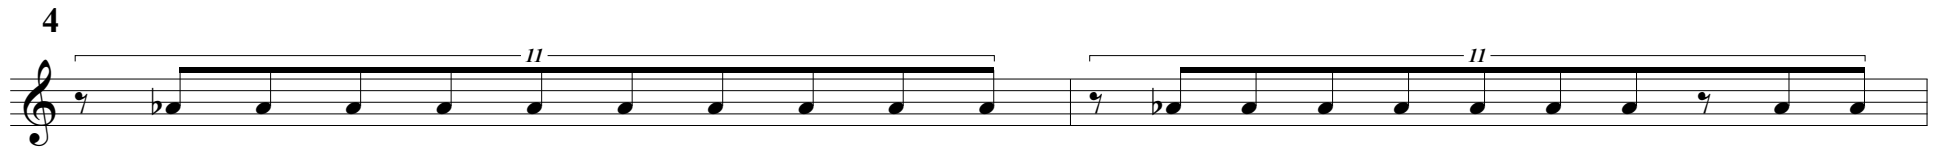

Hen - ry Cowell sug - ges - ted that com - po - sers try e - ven if some of the notes are in slight - ly dif - fer - ent tu - nings.

3

Like the sev - enth part - ial or the ninth which is real - ly close to e - qual tem - per ament.

4

The big prob - lem of course is the el - ev - enth part - ial which is nei - ther a tri -

tone nor a per - fect fourth but some - thing in be - tween them.
